

Investing for Success

**Under this agreement for 2016
Mount Ommaney Special School will receive**

\$36,210*

This funding will be used to

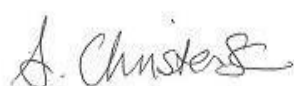

- Increase the level of literacy of each student utilising a Balanced Literacy Approach and Explicit Teaching
- Increase the engagement of students in the area of communication through the use of Intensive Interaction
- Increase student access to quality curriculum through Aided Language Stimulation

Our initiatives include

- Develop school wide processes to ensure consistent implementation of the Whole School Curriculum, Assessment and Reporting Plan
- Develop teacher capability to design and deliver highly individualised curriculum
- Review each student's progress and engagement through the use of systematic collection of data
- Build staff capability regarding Explicit Teaching and Intensive Interaction
- Build staff capability in supporting student access to a quality curriculum through Aided Language Stimulation
- Build teachers capability to design and deliver a Balanced Literacy Approach

Our school will improve student outcomes by

Increase Speech Language Pathology services by one day per week to support the implementation of a school wide Balanced Literacy Approach, Aided Language Stimulation and Intensive Interaction	\$18 000
Support the explicit teaching of literacy with the assistance of a trained Literacy Teacher Aide 12 hours per week under the guidance of Literacy Coaches and Master Teacher	\$15 000
Purchase relevant resources and texts to support school based Literacy Coaches	\$3 210
