Our school initiatives are on track to meet or exceed our targets

During 2016, we focused on maximising the benefits of this funding for our students. After reviewing our 2016 *Investing for Success* agreement, it is clear that we are on track to meet or exceed our targeted student outcomes. We continue to implement our initiatives to ensure that every student succeeds.

Initiatives implemented include:

- Development of school wide processes to ensure consistent implementation of the Whole School Curriculum, Assessment and Reporting Plan
- Development of teacher capability to design and deliver highly individualised curriculum
- Review of each student's progress and engagement through the use of systematic collection of data
- Building staff capability regarding Explicit Teaching and Intensive Interaction
- Building staff capability in supporting student access to a quality curriculum through Aided Language Stimulation
- Building teachers capability to design and deliver a Balanced Literacy Approach
