RESOURCE LIST 2015

Dear Families/Carers

Each year, we ask families to prepare for their child’s new school year by getting in some necessary classroom supplies. As in all schools, various items are used regularly for learning programs. At MOSS, the things that we use for your children can be a little different to a traditional booklist that you would be asked for in other settings.

To help your child achieve their educational goals, we use a range of devices such as iPads, switches, and BIGmacks. Social and personal competency programs are also an important part of the curriculum.

The below list of resources, approved by the school’s P&C, will assist your child’s teacher to develop these programs and get the year off to a great start.

Below is the general list of our P&C’s approved items for 2015.

• 1 diary (day to a page preferred) – for home/school communication
• 1 USB stick 8 GB
• 1 ream of A4 Reflex photocopy paper
• 1 packet of 100 sheets A4 laminating film (80 micron)
• 1 packet of AA or D batteries
• 2 ‘scrap’ books
• 1 bottle PVA/white craft glue
• 2 chubby glue sticks
• 2 boxes of tissues
• 6 packs of wet wipes (NOT travel packs)
• 1 bottle sunscreen – named

Please send items to your child’s classroom teacher for the start of the 2015 school year.

(Also, please be aware that early in first term next year, once your child’s teacher has settled their program, they will also send home a note requesting some additional necessary items. This list will vary from class to class.)

Thank you so much!

Karen Walton (Deputy Principal)
